- Come celebrate the summer, the kennel club, and Anthony's last day being 46 (his birthday is on the 20th)!
- EKC will provide hot dogs, burgers, buns, drinks, plates/silverware.
- We will plan to eat around 6pm, but feel free to show up early to socialize (any time after 4pm).
- Dogs are allowed and encouraged!
- We will have a Bluetooth speaker for some summer jams.
- While the EKC will provide non-alcoholic beverages, feel free to bring your liquid libation of choice since this coincides with happy hour!
- Also, bring any yard games you have since we will have plenty of space to play.

Please RSVP as soon as possible so we can get an idea of how much food to purchase. Just give Andrea a call (814-431-0073) and let her know what you are bringing for the potluck by July 10th!

Announcements:

Bylaw Amendments:

After the AKC did not approve the bylaw amendments, the Board reviewed the best course of action. It was determined that all feedback from AKC not related to lapsed membership will not be changed at this time. The focus will remain on the clause specifically related to dues payments and termination of membership. Which reminds me, the dues deadline is September 1, 2017!

Breed Legislation Committee:

Pat met with Darren Cox, President of Pennsylvania Federation of Dog Clubs, at the New Castle Cluster. He would like to attend the August membership meeting to present some of his material to the club. This will be an open house session and other clubs from around the area will be invited to join in the discussion.

Time for a New Tractor!:

The Club recently reviewed the tractor and lawn situation and determined that the existing tractors are not sufficient to maintain the property. The Board voted to approve the purchase of a used, 62" John Deere tractor which can also utilize a snow blower attachment. This should dramatically help Chuck and Lou (and any others than can help mow moving forward) to cut down on mowing time and keep the grounds looking great! Also, huge shout out and thank you to Chuck and Lou for all your efforts!

Dehumidifier Reminder:

As a general reminder, especially during summer months, the dehumidifier needs to be turned on after classes/run-throughs.
