Paws in the Park:

The EKC will be participating in Paws in the Park on September 15, 2018, at Frontier Park. The event runs from 10am-4pm. We are planning to have some demos (rally, agility, obedience) in a small ring. We will need help to setup, teardown, support the information table, and conduct the demos. Setup will take place starting between 7:30am-8am if you wish to lend a hand. New pens to handout have been ordered and we hope to show-off the new brochure as well. In addition, we would like to host a meet-the-breeds from 11:30am-2pm. If you are interested in bringing your dog out for meet-the-breeds, please contact:

Cindy (Funpupcls@juno.com) and Kayla (kaylaolson19@gmail.com) to sign-up!

Eye Clinic Reminder:

The Eye Clinic is scheduled for September 15, 2018 at Camboro Veterinary Hospital. If you are interested in attending, please contact Esther Kostelnik (Home: 814-398-8853; Cell: 814-720-1106). If you are free before or after your appointment, think about stopping down to Frontier Park!

Website Updated:

The website has been updated to provide some pictures on the homepage as well as an announcement about Paws in the Park. The All Breed Show page has also been updated with documents to support the 2019 show. If you would like to see anything added to the website, please do not hesitate to reach out to Jamie (james.nevel@gmail.com) and we can get it updated! It would be great to keep the website updated on a regular basis, so it provides fresh and accurate information. Please let us know if you have any feedback and suggestions.
